SILK PEPTIDE ACTIVE CREAM

an honest review

SILK PEPTIDE ACTIVE CREAM

Now the lifting cream settles down here!

As the blue particles burst, starting from
deep inside the skin
It feels like I'm filling up my vitamins!

It moisturizes well and leaves a fresh finish

It applies on well, so you can keep applying it !
It's perfect when you apply it after washing your face !

It's so nice!

I've been doing business here and
there
It's the best elastic cream

The end of nomadic life

I'm going to settle down here
now
Thank you. Crebeau

POINT 01

To strengthen the skin barrier

It's an exceptional **silk peptide ingredient**

SILK PEPTIDE ACTIVE CREAM

I recommend it to people like this!

SILK PEPTIDE ACTIVE CREAM

For those who dislike stickiness and prefer a refreshing texture.

For those who want strong, gap-free elasticity and lifting.

or those who want to brighten dull skin and achieve a tone-up.

I use it at times like this!

When the skin is dry and lacks elasticity.

When the skin is oily and sticky, and a fresh feel is needed.

HOW TO USE

After using toner and ampoule in the morning and evening
Use a spatula to get the right amount
Apply it on your face to absorb it
Before applying cream, use skincare products
If you use it with a time difference, it's more synergistic
